Detailed Development of EDAC Research Requirements

REFERENCE: Your memo, same subject, dated 21 April 1955

The following projects are suggested as of possible interest to the Economic Defense Program:

1. Soviet Bloc Penetration of Underdeveloped Areas—a series of case studies by country or by method.
2. Soviet Bloc Economic Integration—steps to date and implications for the economic future of the Bloc.
3. The Role of Sterling in East-West Trade—an attempt to determine amounts used and balances held by Bloc.
